

GF07.05-P-5010A	Variable intake manifold switchover valve location/task/design/function	15.5.97
-----------------	---	---------

ENGINE 112.942 /970

ENGINE 113.942 /965

22/1 Variable intake manifold switchover diaphragm unit

Y22/6 Variable intake manifold switchover valve

P07.60-0287-01

	Variable intake manifold switchover valve, location		GF07.05-P-5010-01A
	Variable intake manifold switchover valve, task	Pressurize intake manifold switchover aneroid capsule with vacuum or admit air	
	Variable intake manifold switchover valve, design	Electromagnetic switchover valve in plastic housing, coil resistance approx. 25 Ω .	
	Variable intake manifold switchover valve, function		GF07.05-P-5010-03A
